

REMARKS/ARGUMENTS

Applicant's undersigned attorney thanks the examiner for a kind and thorough review.

The claims have been renumbered so that they are consecutively numbered. The previously submitted claims 42-51 have been renumbered 41-50. All claims are now numbered in consecutive order from 41-50, and further the claims have been amended so that there is proper dependency. This numbering is different then what was stated by the examiner in the office action, however, it follows pursuant to a phone conversation with the examiner where it was decided the numbering should be 41-50. A clean copy of the new claims is attached hereto.

If there are any further questions regarding this matter, please call the Applicant's undersigned Attorney at (248)-324-7787

Respectfully submitted,
